Tell Me About Financing

The loan calculator allows you to figure out the monthly payments on the perfect vehicle that fits your budget.

MSRP: \$20000

Your Price: \$20000

Sales Tax: 7.75 %

Enter the purchase price of the vehicle you are interested in and then proceed to the finance calculator on the right to find the monthly payment most comfortable for you.

Change the cash down, the monthly payment, find the right term for your pocketbook, the APR that best fits your credit profile, and the monthly payment that is most comfortable for your budget.

After changing any of the numbers, please press tab to obtain the updated calculation.

Finance Calculator

Loan Financing

Cash Down: \$2000

First Monthly Payment: 30 Days

APR: 8.50 %

Term & Monthly Payments:

3 year	4 year	5 year	6 year
\$612.25	\$478.05	\$397.92	\$344.81

Lease Financing

Cash Reduction: \$2000

Money Factor: 3.60

Residual Percentage: 40 %

Term & Monthly Payments:

2 year	3 year	4 year	5 year
\$552.00	\$401.68	\$326.51	\$281.42

Residual percentage is based upon depreciation of the car over term. This will be completely different for each vehicle. All payments and prices include all known
